X-Ring Rangers Junior Air Rifle Club

Parents and Participants Information

Go to xringrangers.com to apply for membership or for additional information.

- Team practices will be every Monday from 6:30-8:30 pm. If Monday is a holiday, practice will move to Wednesday of that week.
- The first X-Ring Rangers JARC practice will be from 6:30-8:30 pm on Monday, November 16.
- Practices will be at the Disabled American Veterans, 25396 Airport Road, Athens, AL 35614.
- This year our practice schedule begins on Monday, November 16, 2026, and goes until Monday, May 24, 2027. We will move to a 10-month schedule beginning with the 2027-2028 school year. Our goal will be to wrap it up for the year a week before Memorial Day each year.
- Regularly scheduled practices or competitions will not occur during June and July.
- The air rifle and all associated equipment will be provided for participants. This equipment will be retained at the practice facility and cannot be taken home. Parents may purchase the approved air rifle and/or equipment for their participating child. If the parent provides any equipment that equipment must be transported to and from each practice.
- There is a $125 per month membership fee to cover facility rental, consumables, and replacement of damaged or unserviceable equipment. (There is no charge for the first month.)
- In addition to the monthly membership fee, parents will pay the entry or participation fees for required competitions which are normally in the $25-50 range.
- The Club leader is a retired Junior ROTC instructor with 26 years of experience coaching air rifle teams, and the other two coaches are both Navy veterans with years of marksmanship experience.

The Crosman Challenger 2021 Air Rifle

Creedmoor Portable Air Rifle Range with Targets

\Note 1: Since the club participants are ages 12-18 and enrolled in school, the term “members” when dealing with meetings, voting, and payment of membership dues refers to the parents of the club participants.

Note 2: Participants are the youth ages 12-18 and enrolled in school who are actively involved in the marksmanship training and competition activities of the X-Ring Rangers JARC with membership dues paid to date.
